Professional Summary

MCA student and aspiring Full-Stack Developer with hands-on experience in building modern, responsive, and performance-driven web applications. Proficient in HTML, CSS, JavaScript, and React, with a strong focus on clean UI design and scalable frontend architecture. Demonstrates solid understanding of UI/UX principles, component-based development, and real-world deployment workflows. Passionate about writing maintainable code, solving real-world problems, and continuously learning modern technologies.

Technical Skills

Programming Languages: C, C++, Java, JavaScript

Frontend Development: HTML5, CSS3, Tailwind CSS, Bootstrap, React.js

Core Concepts: Data Structures & Algorithms (Basic), Object-Oriented Programming (OOPs), Operating Systems, Computer Networks

Tools & Platforms: Git, GitHub, Vercel, VS Code

Projects

Personal Portfolio Website

- Developed a fully responsive portfolio website to showcase projects and skills
- Implemented modern UI/UX design for improved user engagement
- Built using HTML, CSS, JavaScript, and React with reusable components
- Optimized performance and ensured cross-device compatibility
- Deployed using Vercel for fast and reliable hosting
- **Live:** ashishchportfolio.vercel.app

Experience

Self-Driven Full-Stack Developer

- Designed and developed multiple web-based projects to strengthen practical skills
- Practiced version control using Git and GitHub for project management
- Gained experience in deployment workflows and cloud platforms like Vercel
- Continuously improving problem-solving skills and coding standards

Education

Master of Computer Applications (MCA)

Currently Pursuing

Additional Information

- Strong interest in Web Development and Software Engineering
- Quick learner with ability to adapt to new technologies
- Focused on building scalable and real-world solutions
